Established in 1997, *Smile Oral Health Matters* is the most widely received magazine that reaches this increasingly vital group of clinicians who are involved with promoting good oral health.

It is distributed 8 times throughout the year to the HOME address of every GDC registered (5,500) **Hygienist, Therapist and Oral Health Promoter**, who are the very people that the public turn to for advice on how to ensure they maintain a good oral regime.

**WHY SMILE ORAL HEALTH MATTERS?**

Within Smile there is also verifiable CPD for all readers, which throughout the year provides all ten hours of training required for a DCP per year, making it an invaluable resource for dental care professionals.
